## PROFILE

---

I am a B. Tech (CSE) student who is highly motivated and passionate about software engineering. I am proficient in Python, R, HTML, CSS, and JavaScript, and I have experience working with React and WordPress. I am excited to join a dynamic team where I can apply my skills to create user-friendly applications. My project was recognized in the top 100 of Smart Ideathon 2023, and I am a young mentor at Atal Tinkering Lab. I speak fluent English, Hindi, and Telugu, and I am seeking opportunities to grow and make a positive impact.
